11.11.2018

Dear Stakeholders in the energy sector of development in Sierra Leone,

As announced earlier Bintumani D-SL invites you to renewable energy work shop to be held on the 29.11.2018 and 30.11.2018 at the Milton Margai College / Congo Cross (MMCET).

The program is as follows :

Thursday 29.11.18

9:00 Welcome address by the principal of MMCET, Mr. Kanu and from Mr. Gegbai in charge of department for renewable energy (MMCET).

9:30 Presentation of the participants and their engagements in sustainable and renewable energy in Sierra Leone

Introduction of Bintumani D-SL by Dr. Jacob Ladipoh

11:00 Presentation of EDUREC modules (Biogas, Wind, Hydro, Solar) by Mr. Norbert Hoffmann.

12:00 Lunch

13:00 – 15:00 Photovoltaic course presented by Prof. Dr. Hartmann and Mr. Hoffmann (a five week curriculum).

Friday 30.11.18

9:00 – 12:00 Photovoltaic course – Implementation using practical examples.

Please give us a feedback of your intended participation to enable our organisation.
Greetings,

Dr. Jacob Ladipoh
